Hi everyone – I have a few comments and questions on the timing responses. The main was is that I'm wondering about moving a big paragraph, as indicated in the attached. Thanks for preparing and sending this.

Subject: Draft Responses to WEA questions

Hi Mike – Please review our draft responses to WEA's questions that we discussed yesterday and let us know if you have any edits. Claudia's draft responses are in the first email and Chris' are in the last email. We would like to send to OAQPS for their quick review tomorrow, if possible.

Can someone look for our proposed action on the OMB website and see if it is there yet?
